GrassLAND™

All Green Landscape Series by Carpets Inter®

GrassLAND™

More durable than natural grass.

Maintain a natural-grass look…

GrassLand is a perfect solution for your garden. It is extremely resistant to damage and wear, does not require infill, has a non-abrasive surface, and is long lasting compared to natural grass.

GrassLand conforms to all landscape requirements and it is an ideal choice for gardens, patios, lawns in both residential and commercial applications.

GrassLAND™

No watering, no mowing and virtually maintenance free.

A sensible solution to meet all needs…

GrassLand provides cooler surface temperatures and underfoot comfort for your favorite garden area, costs less to maintain and never needs watering, fertilizing or mowing. You can spend more time relaxing at home and go on vacation without worries.
